

AERO PALLETS, INC.

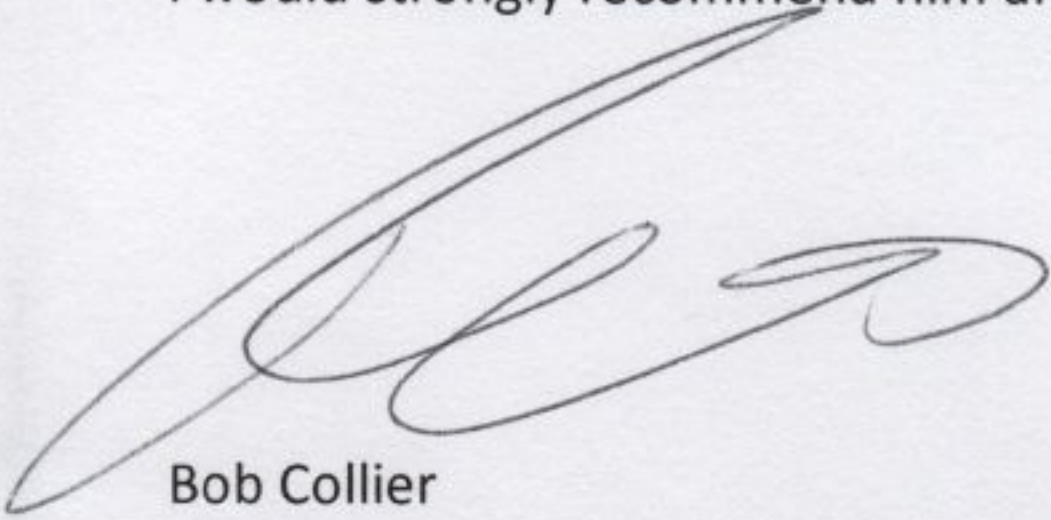

PO Box 311, New Philadelphia, Ohio 44663

27 December 2016

To whom it may concern;

Robert Miller of Excel Roofing repaired our office flat roof this year. His crew was entirely professional and friendly, getting the work done in a timely manner.

I would strongly recommend him and his company without reservation.

A handwritten signature in black ink, appearing to read 'Bob Collier', with a large, sweeping initial 'B' and a stylized 'C'.
